

NBN Bundles

Information about the service

The Business NBN Bundle is a Broadband and Phone service delivered on the NBN™ network using (FTTP, FTTB, FTTN, FW OR HFC) to deliver broadband to your premises.

Required Services & Availability

The Business NBN Bundle is only available within the NBN™ (FTTP, FW, FTTB, FTTN or HFC) ready for service area. NBN™ availability can be checked using the coverage checker on the fibre2air website.

Equipment Required

To use the service, you require a NBN compatible modem/router. Your modem will need to be Wi-Fi or VoIP enabled if you want to connect wireless devices or make use of your included NBN Phone service. These may be purchased from the Fibre2air. You will also need a standard phone handset to use NBN Phone service.

- Timed calls are billed in 60-second increments.
- Calls to 19/1900 services are not available on the fibre2air NBN Phone service.
- This service will not work if there is an interruption to your internet connection. That includes dialing emergency numbers; 000. This service is not suitable for people with life threatening medical conditions that require priority assistance.

Upfront Activation Charges

The below activation fee is applicable when signing up to an NBN Plan.

| No Lock-in Contract | 12 Month Contract | 24 Month Contract |
|---------------------|-------------------|-------------------|
| \$169.00 | \$59.99 | \$0.00 |

- Any cabling required past the Network Boundary Point is your responsibility. Non-standard installations will incur additional charges which are payable by you.
- The activation charge does not include any additional charges such as lead-in or additional cabling which may be required, equipment such as splitters, missed appointment fees, or any other complex issues which require additional work that may be discovered during the installation.

Upfront Hardware Charges

| Product | Hardware Price | Postage Charges |
|----------------------------|----------------|-----------------|
| Standard - Netcomm NF10WV | \$ 69.99 | \$14.95 |
| Advanced - Netcomm NF18ACV | \$119.99 | \$14.95 |

The hardware provided will auto-configure with the Fibre2air network once the service is activated and the device is connected.

New Developments Charge

If you're in a new development and not already connected to the NBN, NBN Co may charge \$300 to connect your premises to NBN services. If applicable, the charge will be passed to you through fibre2air.

If you are not the owner of the property where the service is going to be installed, you must obtain the owner's consent to the installation of the NBN Co equipment, including where it is installed within your premises.

Early Termination Charges

| Contract | Fees |
|---------------------|---|
| No Lock-in Contract | \$0 |
| 12 Month Contract | Plan fee multiplied by the months remaining in your contract. |
| 24 Month Contract | Plan fee multiplied by the months remaining in your contract. |

Other Information

Usage Information

To check your current usage levels. login to 'My Account' at www.fibre2air.com.au/myaccount or download the fibre2air mobile app.

Billing

We will bill you in advance for the minimum monthly charge and features and in arrears for calls and data. Your first bill will include charges for part of the month from when you took up your plan until the end of that billing cycle, as well as the minimum monthly charge in advance for the next billing cycle.

Paper Invoice Charge

Paper invoices incur a fee of \$2.95 Inc. GST. Receiving your invoice via email does not incur a charge.

Non-Direct Debit Fee

A monthly charge of \$2.20 Inc. GST applies for non-direct debit payment.

Payment Method

Payment by Direct Debit from a bank account does not incur fees. Charges apply for other payment methods. For details go to fibre2air.com.au/payments or contact us.
